

# DONOR ADVISED FUNDS

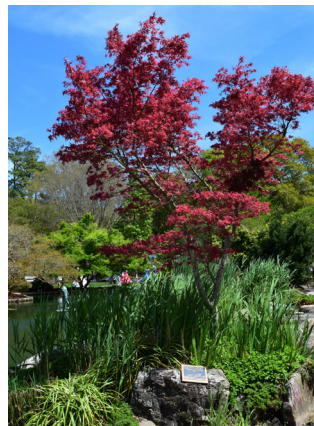

*Many individuals have started using donor advised funds as their mechanism for donations to charities. With changes in the standard deductions for taxes, this is a popular mechanism..*

## HOW TO GIVE FROM YOUR DONOR ADVISED FUND

Many donor advised funds have portals that assist their clients with making charitable donations from their fund. We are listed as “**Friends of the New Hanover County Arboretum**” in the available funds and if it doesn’t show, most have a mechanism to add a non-profit. You can also speak to your financial advisor/wealth manager or the custodian of your account for assistance.
